The Toowoomba Little Athletics Story

Article written by Pauline Van Bael (TLA Life Member and current Secretary).

Wilsonton Little Athletics commenced their first centre competition during the 82/83 season. The first muster was at the Wilsonton School Oval with approximately 12 athletes attending. Registrations throughout the years has varied from 30 - 200+ athletes. There were no toilets and because there was no key to the gate a step ladder was used to climb over the fence. After a few weeks the Centre was able to secure Doyle Oval, Newtown Park and competition was held there until the end of 94/95 season.

The Centre started with a few discuses, shot puts and relay batons. Over the years the committee made their own hurdles and built a trailer to store equipment in. The registration fees for the 83/84 season were set at \$10 first child, \$8 second child, \$6 third child, shirts \$4.75 and shorts \$3. The age groups catered for were from Under 7 to Under 13.

A Special Needs Carnival for children with disabilities was first held during the 96/97 season and the following five seasons. Children with disabilities were invited to participate in a fun day with events such as sprints, long jump, high jump, shot put and discus. All participants received a ribbon after each event. A gold medal (presented by the Centre's Patron) at the end of the day was the highlight for the children.

A comment in the 83/84 Yearbook summary was "It would be nice to have a full size athletic oval". The start of 95/96 season saw the move to our present site at O'Quinn Street Athletic Facility. The move to O'Quinn Street Athletic Facility was possible through the voluntary work and dedication of many centre members. Some members thought the task ahead was beyond our capabilities. It was hard, enjoyable work and looking back it is difficult to believe that the oval was once rocky, overgrown land.

For eighteen months prior to this our centre had been looking for a suitable park to develop a 400m running track with 8 or 9 lanes, as Newtown Park was too small for our athletes to safely compete. Our centre negotiated with a local school and a couple of soccer /football clubs for a home ground. A decision was made to send a proposal to Toowoomba City Council requesting permission for our Centre to move to O'Quinn Street Athletic Facility. After further negotiations and proposals, it was taken to a Council Meeting and passed.

A five-year development plan was drawn up with such things as a club house, storage shed, amenities block, concrete throwing circles and safety nets. Lighting was added to the oval thanks to the Toowoomba Regional Council.

The committee voted for a name change in 1997 and we became the Toowoomba Central Little Athletics Centre Inc. During 2001 the O'Quinn Street Athletic Facility name was changed to the Glynis Nunn-Cearnes Athletic Facility. Tartan run-ups for both long jumps and a permanent cement boundary in the centre of the field were

added during 04/05 season. This was made possible through a successful grant, received from the Gaming Machine Community Development Fund.

Glynis Nunn-Cearnes Athletic Facility has hosted many Little Athletics carnivals over the years. During the months of May to September a lot of schools use the facility to host their athletics carnivals and coaches use the oval all year round for training. The sheer hard work of our committee members during this time enabled the Centre to provide the above amenities, which is enjoyed by all present members today and others that use the oval.

At the start of the 2011/12 season, we became the Toowoomba Central Comets which saw a logo being incorporated for the first time. In 2019/2020 we officially became Toowoomba Little Athletics.

Thank you to all present and past committee members for your valuable support. We look ahead with great enthusiasm for the oncoming season!

Little Athletics Code of Conduct

ATHLETE:

- Be a good sport. Respect all good performances whether from your Centre or the opponents and shake hands with and thank the opposing athletes and officials after the event – win, lose or draw.
- Participate for your own enjoyment and benefit.
- Always respect the official's decision.
- Never become involved in acts of foul play.
- Honour both the spirit and intention of the competition rules and live up the highest ideals of ethics and sportsmanship. Avoid gamesmanship and respect the traditions of the sport.
- Never engage in disrespectful conduct of any sort including profanity, sledging, obscene gestures, offensive remarks, trash-talking, taunting or other actions that are demeaning to other athletes, officials or supporters.
- Care for and respect the facilities and equipment made available to you during training and competition.
- Safeguard your health. Don't use any illegal or unhealthy substances.
- Recognise that officials and coaches are volunteers who give up their time to provide their services. Treat them with the utmost respect.
- Do not bet or otherwise financially speculate, directly or indirectly, on the outcome or any other aspect of a Little Athletics event or competition in which you are involved.

COACH:

- Actively discourage foul play and/or unsportsmanlike behaviour by athletes.
- Seek to maximise the participation and enjoyment of all athletes regardless of ability; avoid the tendency to over-use a talented athlete; treat all athletes as equals, regardless of their talent.
- Show concern and caution towards all sick and injured athletes. Follow the advice of a physician and/or sports trainer to the letter when determining when an injured athlete is ready to recommence training or competition.
- Teach athletes that an honest effort and competing to the best of their ability is as important as victory.
- Maintain a thorough knowledge of the rules of competition and keep abreast of current coaching methods. Maintain or improve your current accreditation level.
- Always consider the health, safety and welfare of the athletes.

- Teach young athletes to realise that there is a big gap between their ability and the professional athlete. Do not coach them as if they are professionals.
- Ensure that your coaching reflects the level of the competition being involved with and don't be a 'winner at all costs' coach.
- As coach, conduct yourself at all times, and in all situations, in a manner that shows leadership, respect for the sport of Little Athletics and respect for all those that are involved in the sport – athletes, officials, spectators, parents and the media.

OFFICIAL:

- Be impartial! Also, be consistent, objective and courteous.
- Place the safety and welfare of the athletes above all else. Be alert to minimise dangerous physical play, fair or foul, especially competition days.
- Accept responsibility for all actions taken.
- Avoid any form of verbal contact with coaches, team officials, parents and spectators during competition.
- Avoid any situation which may lead to a conflict of interest, both on and off the field.
- Condemn all and every instance of unsportsmanlike, foul or unfair play.
- Set a good example by the way you dress, speak and act towards athletes, coaches, officials, parents and spectators.
- Show concern and caution towards sick and injured athletes.
- Officiate to the age and/or experience of the athletes.

PARENT / SPECTATOR:

- Condemn all violent or illegal acts, whether they are by athletes, coaches, officials, parents or spectators.
- Respect the official's decisions. Don't complain or argue about actions or decisions during or after an event.
- Unsportsmanlike language, harassment or aggressive behaviour will not be tolerated.
- Encourage athletes to play by the rules and to respect opposing athletes and officials.
- Never ridicule or scorn an athlete for making a mistake, respect their efforts.
- Understand that sport is part of a total life experience, and the benefits of involvement go far beyond the final placing of an event.
- Participate in positive cheering that encourages the athletes in the Centre you are supporting. Don't engage in any cheering that taunts or intimidates opponents, their fans or officials.
- Remember that children participate in Little Athletics for their own enjoyment, not yours!
- At all times follow the directions of the Arena Manager and/or other competition day officials.
- Never arrive at a Little Athletics competition under the influence of alcohol. Never bring alcohol to a Little Athletics competition or training.

Parent Participation

Little Athletics is designed to bring the whole family together in a healthy outdoor sport. Children in Little Athletics compete in events conducted by the parents. **ALL PARENTS are expected to help at Centre Competitions. We strongly encourage all parents to attend our Parent Training Day.**

Officials jobs may include:

Age Marshall	Escorting the group from one event to the next and overseeing the recording of field event results on an iPad. Monitoring children's behaviour and reporting any incidents to the Centre Manager or Assistant Centre Manager.
Canteen	We welcome any help you can provide at carnivals, during weekly centre competition days and in the off-season for school/zone athletics carnivals (this is our major fundraising activity for the year). Our canteen cannot sustainably run without volunteers to help.
Measurer	Measuring jumps and throws of individual athletes. Instructions are provided. Come along to our Parent Training Day to learn more.
Packing Up	Packing up of sports equipment and tents to the equipment shed on each centre competition day.
Setting Up	Setting up of equipment and tents to their designated areas on each centre competition day. Helping to set up hurdles, move and adjust heights for each age group and pack down during competition.
Spotter/ Spiker	Spotting and spiking where the throwing implements land.
Starter	Starting all track events using the starting device.
Tape Puller	Pulling the tape through the centre of the throwing circles.
Walks Judge	Helps judge correct walks technique of athletes for walks events. Training is provided throughout the season.

Each Centre Competition Day requires at least 50 parents to conduct the events smoothly and on time. We therefore ask you to arrive early and offer your assistance.

Don't worry if you're new to athletics. Many of the jobs are small and as a bonus, you get to hang out and watch your child compete. We'll happily teach you everything you need to know and also offer a Parent Training Day.

More information on Official Competition Rules can be found on the [LAQ website](#).

McDonald's Achievement Awards

- **Green Level** is a Good level of performance, one which is in reach of 95% of athletes.
- **Red Level** represents a Very Good performance, achievable by about 65% of athletes.
- **Blue Level** represents an Excellent performance, achievable by about 20% of athletes.
- **Gold Level** represents an Elite performance (U9-U17 only), achieved by 5-10% of athletes.

THROWS

Discus

Discus is one of the oldest field events, dating back to the ancient Olympics. The discus must be thrown from within the circle and land within the marked area. When the implement has landed, the athlete must leave from the back of the circle.

Shot Put

The shot is a round steel ball varying in weight depending on the age of the athlete. The hand holding the shot must rest in the hollow where the shoulder meets the neck with the shot in contact with the side of the neck. The shot is then pushed out in one clean motion to land in the marked area. When the shot has landed the athlete must leave the throwing circle from the back.

Javelin

The javelin is a spear like instrument thrown from a runway into a sector area marked by two lines. To be a valid throw, the javelin must land within the designated area and the metal head must strike the ground before any other part of the javelin. The event is offered for athletes from U11's.

JUMPS

High Jump

The athlete's task is to run up from an approach area and jump over a crossbar supported between two uprights. Note that U8 – U10 athletes must use the 'Scissors' technique to be a legal jump. From U11 upwards, athletes may use the 'Fosbury Flop' technique. There are no vertical jumps events for Tiny Tots, U6 and U7's.

Long Jump

U6 to U10s run and jump from a ½ metre x 1 metre mat covered in sand. Measurement is taken from the front of the shoe print of the take-off mat to the nearest break in the landing area. U11 upwards use a conventional 20cm take-off board. Measurements are taken from the front of the board to the nearest break in the landing area.

Triple Jump

Like long jump, triple jump involves sprinting along a runway and jumping into a sand pit to attain the longest distance horizontally. The athlete takes off from a board and performs a hop, step and jump. The athlete must 'hop' from the same foot that they have taken off and in the 'step' they land on the other foot from which the end jump action is performed. This event is offered for U11's up.

RUNNING

Sprints

Sprinting essentially involves running at full speed over the full race distance. Little Athletics sprint distances are 70m, 100m, 200m and 400m. Although technically a sprint for older athletes, the 400m is perhaps best considered a middle distance for most little athletes.

Middle Distance

In Little Athletics, middle distance running includes events run over 800m (U9 upwards) and 1500m (U11 upwards). Greater endurance levels are required, and the running style has to be considerably less vigorous than for the sprints. Our younger athletes get a taste for middle distance over shorter runs such as 700m, 500m and 300m.

Hurdles

Hurdling involves running and jumping over an obstacle. Our Tiny Tots through to U7's use low plastic hurdles and from U8's move onto the proper hurdles. The heights of the hurdles, number of flights and distances vary depending on the ages of the athletes, getting higher and running further distances as they get older.

Relays

A team event where each athlete completes a leg of the run and passes the baton on to the next runner. Two types of relays are run – circular relays and shuttle relays. Our youngest athletes run a shuttle relay back and forth along the 100m straight and our older athletes complete a circular relay around the track. Relays are run over a variety of distances with some types of relays, such as the 'Swedish' and 'Medley' relays, involving runs of varying distances in the one race.

WALKS

Race Walking

Race walking is a progression of steps whereby the athlete makes contact with the ground, so that no visible loss of contact occurs. Don't be fooled by the name including the word 'walk' as there is nothing easy about race walking and it requires attention to technique. Judges assess each athlete carefully to ensure that the athlete does not break into a run and maintains contact with the ground at all times. The advancing leg shall be straightened from the moment of first contact with the ground until the vertical upright position. Race walking is conducted over longer distances such as 1100m. Our athletes start learning walks from Tiny Tots.

TINY TOTS

Play Training

Play training activities are recognised as the best way of introducing young children to the sport. Play training teaches adequate motor skills and starts developing correct technique in a 'fun' way.

Association Days

More information about each of the below events can also be found on our [website](#).

REGIONAL RELAY DAY (U7 – U17 age groups)

Regional Relays provide friendly inter-club competition for all athletes in the U7's to U17's age groups and are the qualifier for the State Relay Championships.

- Track teams comprise of four athletes and field teams comprise the total number of nominated athletes for that age groups' event.
- For the U9 - U17's, all teams that place first, second and third in track events and 1st and 2nd in field events, advance to the State Relay Championships.
- For the U7's & U8's, it may be their first Regional competition and they do not progress to the State Championships.
- Please note: All athletes that nominate for Regional Relays must be available to compete at the State Finals should they qualify.
- There are no finals at either the Regional or State Relays - placing is decided on timed heats in track events or total distances/heights recorded for field events.
- Athletes can nominate in up to five events with teams formed in line with the LAQ relay rules and regulations.
- When nominations are opened, nominations are accepted at the clubhouse with a nomination fee payable per event. More information to be provided at Centre Competitions.

STATE RELAY CHAMPIONSHIPS (Qualifiers U9 – U17 from Regional Relays)

Held at the State Athletics Facility, Brisbane.

- Compete against the top teams from each Queensland Region.
- Please note: All athletes that nominate for Regional Relays must be available to compete at the State Finals.
- Medals are awarded to all members of teams placing in the top three.
- It is important that all members of teams arrive at the competition ground at least one hour before their event is scheduled as events can be brought forward 30 minutes.
- A nomination fee is payable per event.

NORDIC SPORT REGIONAL CHAMPIONSHIPS (U7 – U17 age groups) This competition is open to all registered athletes from U7 to U17.

- These are primarily non-championship days and provide an opportunity for all athletes from within the Region to meet for two days of friendly competition.
- The fact they are also qualifying for entry to State Championships (U9 - U17 age groups) is incidental - the main reason is to give everyone a chance to compete with athletes from other centres.
- Athletes must attend four centre competition days to be eligible to nominate for Regional Championships. There are no other qualifying standards required.
- Each athlete may compete in up to five events of their choice.
- A pentathlon is also offered to athletes in the U15 to U17 age groups, including a 100m, 800m, 100 hurdles (boys), 90 hurdles (girls), long jump and discus. Athletes nominating for the pentathlon may also compete in any two individual events.
- All U7 & U8 competitors receive participation medals. U9's – U17's receive place medals for 1st, 2nd and 3rd.
- Nominations are completed in ResultsHQ with a nomination fee payable per event.

McDONALD'S STATE CHAMPIONSHIPS (U9 – U17 age groups)

State Championships is the final major event in the LAQ calendar and clubs come together from all over Queensland to compete.

- Athletes in the U9 – U17 age groups who place in the top four at Regional Championships (or achieve a set Qualifying Performance Level).
- Some events run heats and finals and others just straight finals. The first three placegetters in each final receive medals.
- The U13 State Team to compete at the Australian Little Athletics Championships is selected at these Championships.

COLES SUMMER CARNIVAL (U9 – U17 age groups)

The Coles Summer Carnival aims to give athletes in the U9 – U17 age groups the opportunity to take part in a large-scale competition, without any of the pressures associated with a Championship event.

- All registered athletes in the U9 – U17 age groups are eligible to participate with no qualifying levels required.
- Additionally, it allows the athletes of the U13 age group to register performances that the State Team Selectors may need to refer to when selecting the State Team.
- To foster team spirit, all athletes registered with a LAQ Centre, through their competing, will earn points towards the Competition's Centre Weighted Points Trophy.
- Summer Carnival 100m Handicap Races are also included in the program. The first placed athletes in the U9 – U17 age groups are offered an opportunity to compete in the Handicap Races, using handicapped starting distances calculated on each competing athlete's 100m times.

McDONALD'S COMBINED EVENTS CHAMPIONSHIPS

The Combined Event Championships is for U9 – U17's and offers participation for athletes in the U7 – U8 age groups.

- This event gives athletes the opportunity to compete in a number of different track and field events, earning points for their performance in each event.
- The number of combined events per age group is a graduated increase to reduce undue pressure on younger athletes and encourage athlete's development. A strong emphasis is on participation in a wider range of events, rather than the early specialisation in one or two specific events.
- State Team selectors will refer to the U15 Heptathlon results when selecting athletes for the State Team.

Criteria for Centre Awards

At the end of each season, we hold our annual break-up and awards presentation.

All TLA registered athletes have the option to receive a participation trophy at the end of the season. 1st, 2nd, and 3rd medals are also awarded to boys and girls in each age group U6 - U17 who obtain the highest aggregated points for personal improvement during the season.

TLA perpetual trophies are awarded to selected athletes based on the defined performance criteria outlined below and voted on by committee. If sportsmanship is not obtained, then the trophy will be awarded to next suitable qualifying athlete. The award is not presented if no athlete meets the criteria.
